

Potential Talent For Your Success

Kosher Regulatory Consultant

Kosher Regulatory Consultant (KRC) was started by a team of young & retired senior professionals in 2019 with the aim of providing a wide range of consulting services to public and private sector institutions towards the development of wind & Solar Project with to deliver with a capability to yield high returns to clients and investors.

Our company, our decisions and our actions are all driven by our reason for existing: the purpose behind everything we do. We managed by highly qualified professionals having vast experience in similar fields. Everyone in KRC chooses to do what they do, because they believe in a shared value that defines us together: delivering solutions that improve the wellbeing of society and building sustainable values for future generations. We do this thanks to our skills, our knowledge and a team able to provide clear solutions to obstacles related to approval and enjoys a reputation of quality and trust built over a period of more than 3 years.

We are committed to deliver the best service to the customers in India.
